

## BE A NEIGHBORHOOD HERO

Smoky Hill is a great place to live, and we are very fortunate to live in a good community of well-kept homes and lawns. However, some folks need a little help taking care of their property due to illness, age or other circumstances.

Here's your chance to BE A NEIGHBORHOOD HERO, and help a neighbor with simple chores, such as mowing, weeding, painting, or even a little repair work. Sign up to volunteer! Give a little of your time and talent to help someone in need in your community.

We'll put you in touch with someone who could use a little help. This would be a great family volunteer opportunity, showing our youth what a real neighborhood means. Or, if you know someone who could use some help, we will take this information to match up a volunteer with a person in need.

Thanks! Make a neighbor a friend by volunteering.
